THE END OF A DREAM A STEP INTO REALITY . . .

All reality was first a dream. The greatest accomplishments, past and present were foremost dreams. Dreamers hold the key of hope and promise for a better world.

The many writers, poets, doctors, nurses, and athletes were for a time dreamers. Nurture your dreams, do not let them be toppled by people who do not understand. For out of them will grow reality.

Dream, lofty dreams, give yourself no limit to what you can achieve. Your dreams are the promise of what you can and shall be. The seeds you are now planting as dreams can one day be reality and it will be fun to see them beginning to grow.

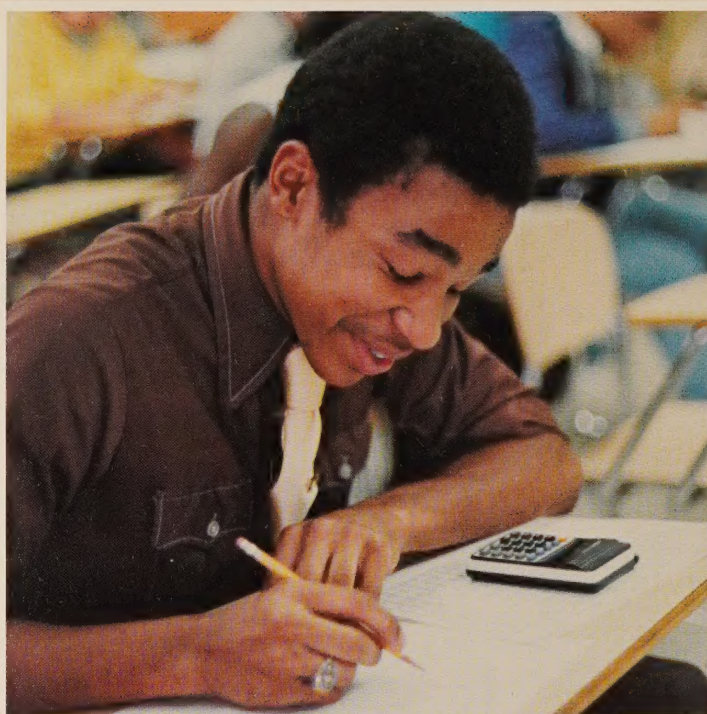

Think positive. Do not imagine that just because of your race, religion or where you live your dream is an impossibility. Your dream can take you anywhere if you are willing to make some sacrifices.

Your dream cannot be realized without effort. Nothing is going to be offered to you on a silver platter. You must go out there and get it yourself.

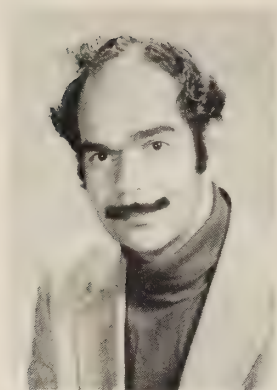

Your life is not ruled by chance. Strive to reach your dream to make it your reality. For the dream that you envision, the idea that is within your heart, this you can build your life by and this you will build your life around.

A Farewell Message

During the past four years, you have had many and varied experiences in Plainfield High School. The staff and I join your parents and friends in congratulating you upon your graduation.

Many of you will go to college, some of you will enroll in other post high school institutions, and the world of work will await others. You will succeed in all of your endeavors because you have been prepared to handle any task.

The Class of 1979 represents a group of fine, outstanding young women and men who will contribute greatly to any society.

Good luck and sincere best wishes for a successful, rewarding future. We will miss you. Keep in touch.

CARDINALS FLY AGAIN ... THANKS TO SENIORS

1978 gave the Plainfield Football Cardinals their fifth consecutive winning season ... thanks to the seniors. Hopefully you will always remember Elmo Rouland scoring those long touchdowns ... Butch Riddick and his hard running ... Remember Mike Curry and his great tackles on defense ... Antonio Jones and his excellent ballhandling at quarterback ... Brian Price blocking as well as any center we ever had ... Johnny Cleckley pushing the team onto success by his great attitude ... Scott Nelson making those great tackles against Union in that 0-0 tie ... Clement Curry holding up our offensive line as a great blocker ... Anthony Davis stepping in at end and with his "Golden Hands" making some great catches ... James "Bug" Grant breaking through the opponents line for a great loss, tackling their quarterback for a loss ... John Pratt making those all important long snaps of punts and extra point attempts ... Ricky Watts, #8 ... old Fats doing his things on defense ... Lenny Ciufu coming on as an unsung hero at defensive guard, handling men 40 pounds bigger than he ... Mike Bullock, "Bullett" Ben Dawson, Trent Gray and Kevin Womack making all important plays on the speciality teams. And who can forget the contribution made by Dawn Lewis with statistics and the preparation of the Annual Team Dinner.

All in all, each and every member of the senior class made their mark on the team which led to our success. Congratulations to them and God Bless Them.

Cross Country

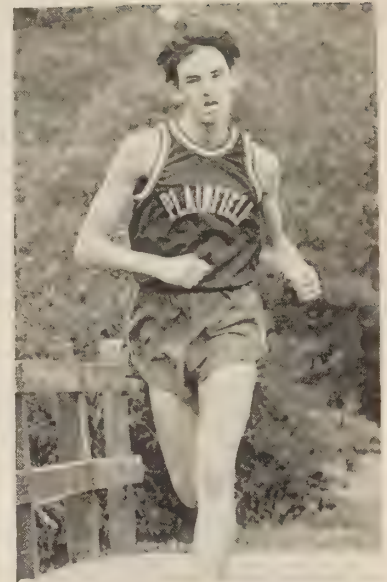

The 1978 Cross-Country, for both boys and girls teams were quite successful. The boys' team was led by seniors Tracy Stepney and Robert Penn. Captain Stepney was undefeated during the regular season. The team placed sixth in the state sectional meet.

The girls' team had three outstanding front runners; junior Dorian St. Clair; senior captain Betsy Hetfield, and senior Kathy Hetfield. The girls' lost only two dual meets, won the Union County meet, and placed second in the state Sectional meet edging out Columbia (who handed the girls a loss in a dual meet) by one point!

Girls' Tennis

Girls Tennis

The girls tennis season finished with a 11-6 record. The team is proud of its efforts. The graduating seniors have been with the team for several years working with determination, diligence and discipline to develop a winning season. Captain Tracy Myers began as a sophomore, finishing her senior year as our number one player. Venus Hunt playing tennis only two years, advanced to second singles.

Laura Phifer, a three year varsity player, helped the team with her many victories as third singles. Darby Johnson, first doubles player, has enjoyed many wins during her tenure on the team. Cathy Cummings' tennis skills helped the doubles teams in every match she played. Ditas de Padua's outstanding tennis strategies brought many victories for the doubles teams. Tanya Guy and Nadine Mulvaney played a doubles team throughout the season. We will miss these graduating seniors greatly. Returning varsity players Susan Madson will be supported by the junior varsity players, Crystal Davis, Kimela Hamilton, Cathy Mulvaney, Corine Mulvaney, Patricia Mulvaney, Karen Nantes and Erika Smith.

Highlights of the season included wins over Rahway, Roselle, and New Brunswick. The final scores of the many matches by no means reflected the matches themselves. However, onward we go in a never ending battle for aces, passing shots, and put-away volleys.

Varsity Basketball 1978-79

After coming off a fine season of 17 wins, 6 losses along with being finalists in the Union County Tournaments before bowing to Elizabeth High School in overtime by a score of 62-60, the Plainfield Cards were faced with a rebuilding year, due to the loss of eight fine players thru graduation.

We had just one starting player back from last year's squad, that was Randy Young 6 ft. 4 in. center who is now a junior

Other players returning were, Ken Fields, Charlie Cole, Michael Gordon, and Peter Coleman.

Both Ken Fields and Charlie Cole, played their role well in coming off the bench. These two players saw the most action as reserves going into the season of 1978-79.

Basically we have a young squad and our players are receiving game experience along with confidence to help their game play.

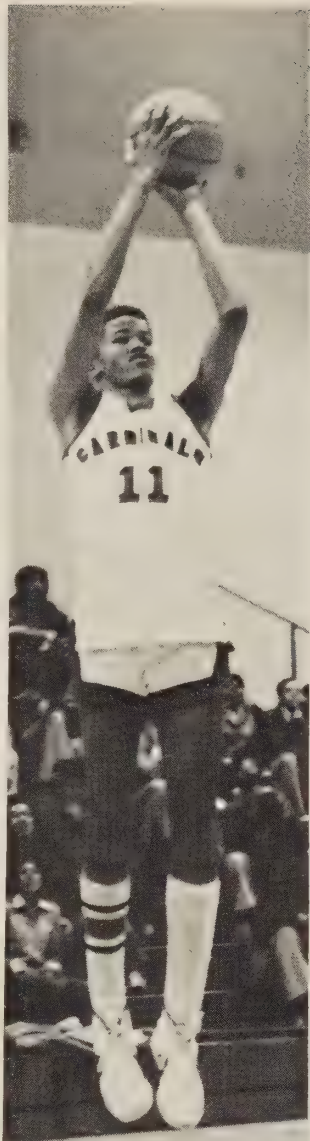

At the time of this article our Basketball team had a record of 9 wins, 4 losses along with being winners of our own "Plainfield Christmas Invitational Tournament" for the fourth consecutive year by defeating a big talented Atlantic City team by the score of 51-49. The winning basket being made by Ken Fields with just 23 secs. left in the ball game.

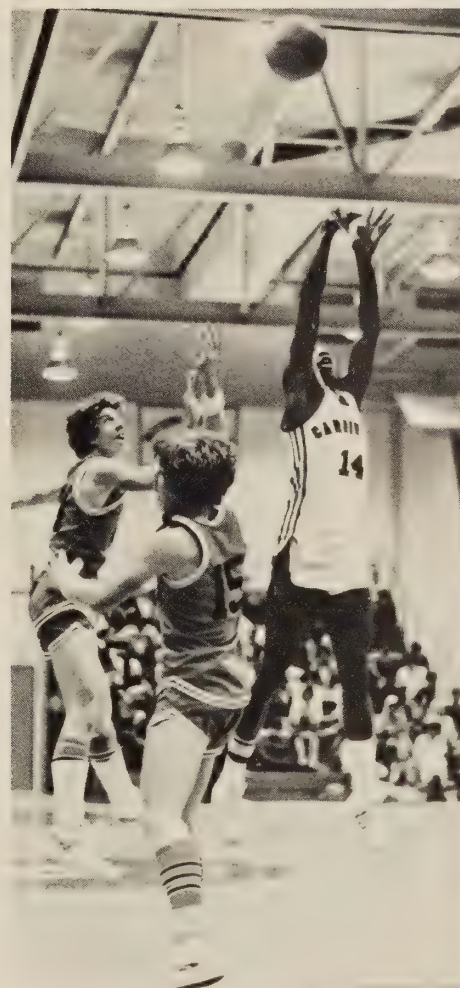

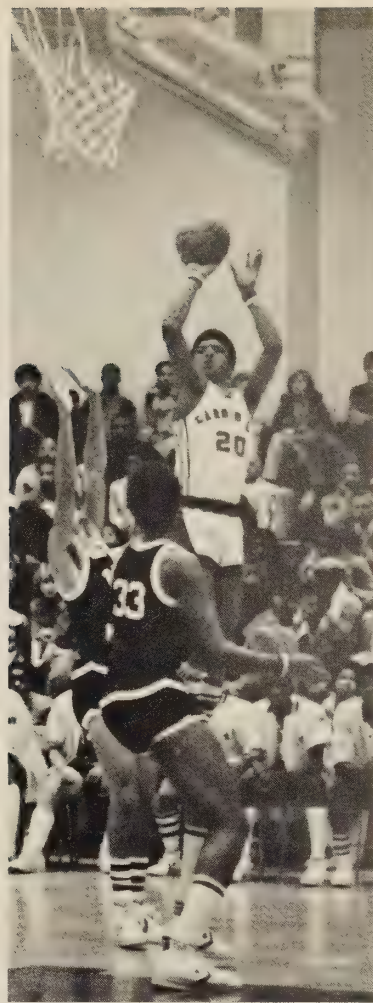

Other big wins came over teams such as: Union, Bayonne, Westfield, St. Anthony's of Jersey City, Elizabeth and Linden.

Losses were to teams such as: Camden 55-53; Elizabeth 79-75 double overtime; Linden 85-71; Franklin Township 84-80 overtime.

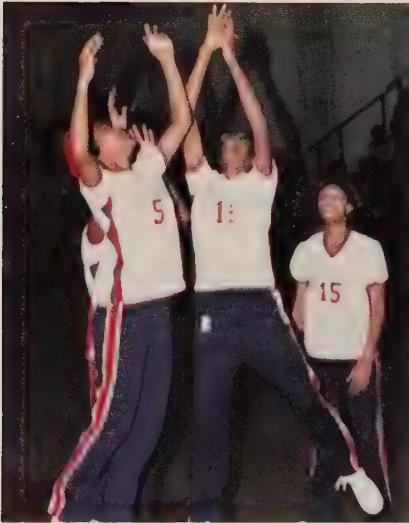

We have three seniors on our squad and all three played an important role, game after game, offensively and defensively.

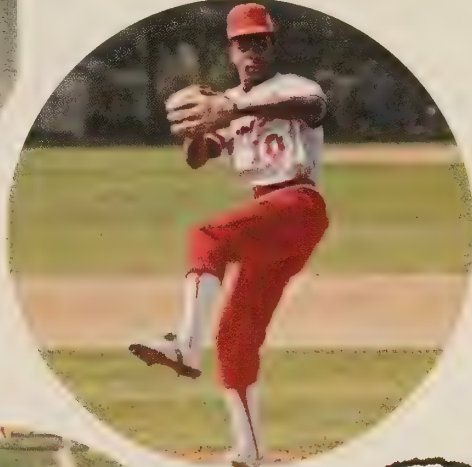

These seniors are Charlie Cole, Peter Coleman and Michael Gordon. All three are guards and these three student athletes will further their education on the College level, September 1979 with Grants in Aid or Scholarships.

LADY CARDS

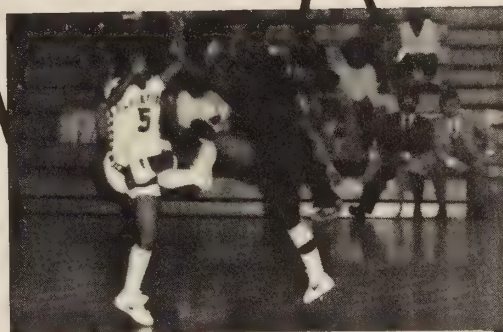

The lady Cards started the 78-79 season with a string of 13 victories and no defeats. Capturing their first Christmas, the Cardinals then won their conference for the third consecutive year.

Two goals remain. The County and State Championships! Highlighting the teams are seniors Tracy Myers, Venus Hunt, and Kim Carter.

Coach Harry Lambert, now in his third season with an overall 47 wins and 7 losses, claims the Lady Cards have demonstrated a powerful offensive attack along with a devastating, stingy defense against their opponents.

Their success is attributed to their cohesiveness and individual talents. These qualities are topped off by their enthusiasm for making Plainfield "The Best In Basketball!"

The Plainfield High School team is going through a building year after a 10-1 season last year. This year should build the power's of next year. Senior Antoine Roney who is returning District 20 Champ, and Region 2 Runner-up, should be another Plainfield State Champ this year.

Tracy Spann and Arthur Law at 108; Reggie House at 115; Emmett Stokes at 122; Michael Brown at 129; Jake Jackso at 135; Anthony Reeder at 141; Derrick Williams at 148; Richard Bellamy at 188; and Don Dixon at Heavyweight — all underclassmen — should bring Plainfield back to a power next year.

Girls' & Boys'

This year's track team is in the rebuilding stage. Last year's seniors left a tremendous void that will be filled, for the most part by talented but inexperienced athletes. In spite of this, we are happy to have a few of last year's aces returning.

The people whom we expect to do well are: Butch Riddick in the sprints and 400 yard dash; Kevin Turner in the hurdles; Mark Henry and Junior Cox in the jumps and the hurdles; Blake Jackson in the pole vault, and Robert Penn in the distance races.

Our predictions came true!!

1. The Cardinals are country champions! in the 240 yard shuttle-hurdle relays.
2. We're state record-holders in the high-jump relay after setting a new state record of 13 ft!
3. We're county champions in the 880 yd. relay!
4. A Cardinals set a record in the long jump at the Lehigh University meet.
5. The Cardinals won first place gold watches for the 135 yd. hurdle relay at Providence, Rhode Island.

Track

The girls' track team has seen success by winning the county championship for the past two years, and the 1979 year looks just as good. The team will be led by seniors Betsy and Kathy Hetfield (distance events), Tracy Myers and Tanya Guy (throwing), and Venus Hunt (long jump). Also competing will be state championship Lisa Myers, Dorian St. Clair, Tracey Nelson, Wanda Jackson and Susan Madison.

Baseball

Seven players from last years varsity will be returning. Mike Curry — outfield; Mike Bullock — Pitcher, outfield; Scott Nelson — outfield; Leroy Nevivs — short stop; Edwin Nantes — catcher; Tony Davis — pitcher, infield; Brian Price — first base.

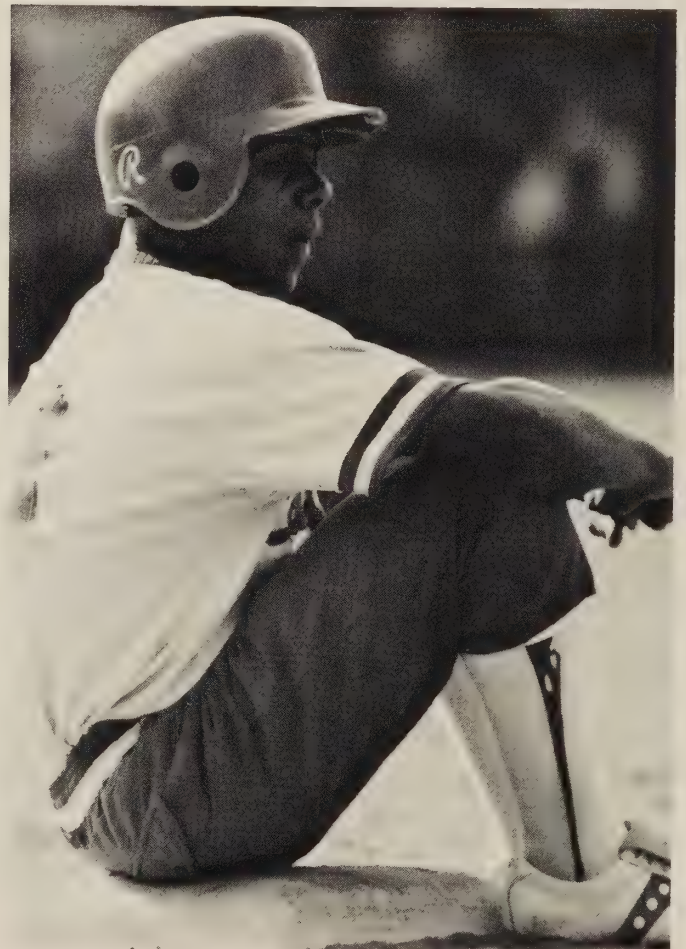

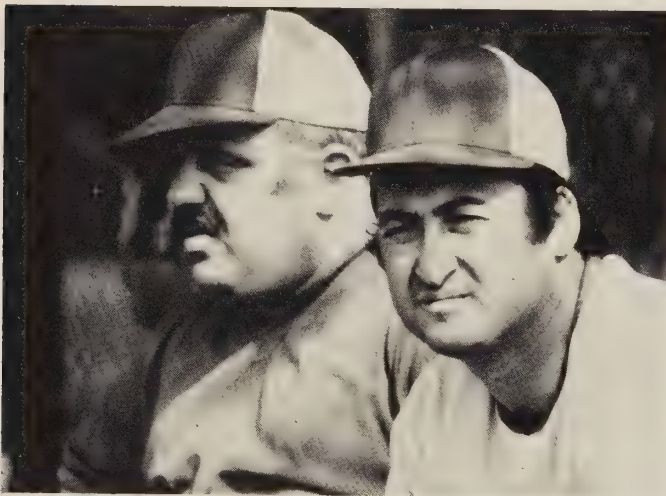

These players all saw alot of action last year and will be the starting team. Scott Nelson, batted over .400 last year making all conference. Mike Curry and Tony Davis also did a great job.

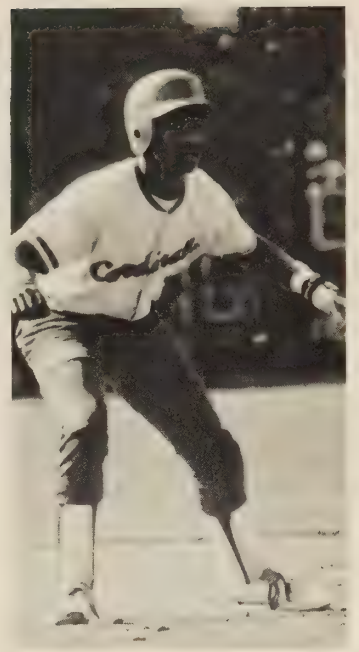

Pitching should be led by Mike Bullock and Tony Davis. I need to find at least another pitcher.

Greg McCoy and Clarence Edwards should see alot of action on the varsity, moving up from J.V.

L-R Standing: Clarence Edwards, Tony Davis, Edwin Nantes, Scott Nelson, Kenny Roundtree, Victor Rudolph, Kelso Stewart, Dwayne Trawick, Brian Price. L-R Kneeling: Mike Bullock, Jerry Blakney, Vincent Nelson (mgr.), A. Miller.

THOMAS J. FALOCCO — “A MAN FOR ALL SEASONS”

TO MR. FALOCCO:

A MAN WHO HAS STUCK WITH US
THROUGH THICK AND THIN. EVEN WHEN
THE GOING GOT ROUGH — YOU NEVER LET US DOWN
SO NOW WE'D LIKE TO LET YOU KNOW
WHAT WE'VE ALWAYS WANTED TO SAY,
BUT COULD NEVER PUT INTO WORDS —

"Many Thanks"

We would like to salute our Class Advisor
A man who's a little stronger, older, and wiser
Your guidance has had a tremendous affect
Your efforts and concern were very direct.

You brought us a long way from our Freshman year
You deserve many thanks and good cheer
You've helped us grow in so many ways
We will remember for the rest of our days.

You stuck with us through all the hard times
Always taking the small disasters off our minds
Lost tickets, late meetings, and cancelled dances
You always told us we'd have more chances
Our 50's Dance was a tremendous success
And our Fashion Show proved to be one of the best!

You are worthy of your leadership
And as powerful as a lion with great heart
Always pushing us right from the start

Many thanks go out to you
With much respect and love that we feel inside
Because it was YOU who kept the Class of '79 ALIVE!

Love, and we'll never forget you!!

Your Class Officers

President — Bernard Baskerville
Vice President — Lesli Hall
Treasurer — Lesley Hough
Secretary — Mondy Suarez

A special thank you also from Mr. Mace, *Milestone* Business Manager, for your secretarial help, your dedication and inspiration — and YOUR FINANCIAL ASSISTANCE.

Congratulations . . . and . . . Farewell

It is my pleasure to congratulate Dr. Lewis and his wife, Deanna, on his appointment to Commissioner of Education for the state of Pennsylvania.

We, the students of Plainfield, appreciate his efforts to improve our education over the past four years.

It will be difficult for us to forget his motto, "It's Cool to be Smart".

To end this farewell note, we have borrowed from the ancient poet who wrote, . . . "Live and fare well; long life and good health to you." HORACE, *SATIRES*.
